Proven and Effective Healing & Deliverance Process

Assessment

Our assessment is used to identify root issues; gathering of information about client's emotional, physiological, psychological, sociological, and spiritual status; to rule out physical condition vs spiritual. This will allow us to provide proper service and conduct proper procedure.

Spiritual Surgery

We use well trained high-level spiritual diplomats to conduct our spiritual surgeries. This is where the spiritual issues are dealt with. Demons are cast out and healing takes place. We also conduct a spiritual x-ray to see in the spiritual realm, the condition so it can be properly diagnosed, removed and treated.

Counselling

Our counselors are licensed professionals, with Christian background. This service can be utilized before, during and after the healing & deliverance. Many people have deep rooted issues that can only be dealt with by counselling. Counselling sometimes also goes with or without the healing and deliverance.

Beyond what Medicine and Science can offer

Understand that deliverance is a process

The root cause for many physical sicknesses that will not go away overnight is spiritual. This will need spiritual intervention. On a large scale, individuals will not receive healing or deliverance unless certain root causes are dealt with. There are many imbedded things that hold us captive: Hurt, rejection, grief, shame, unforgiveness, abandonment, bitterness, anger etc. We have the axe to cut the root of your issue out so you can be set free.

“We go beyond the problem at hand straight to the root; with the intention to fix it once and for all”

We Provide Healing & Deliverance from the Following:

- **Oppression and Possession:** For the entire triune being
- **Mind & Emotion:** Fear, torment, depression, abuse, anger, rejection, confusion, soul-ties, suicide & all types of disorders
- **Body:** All types of sickness & disease
- **Addiction:** Alcohol, lust, perversion & all types of co-dependency
- **Occult:** Witchcraft, satanism, curse & all type of demonic issues
- **All Hindrances:** Generational curse, relationship, job, destiny, ministry etc.

It is your time to be set free!

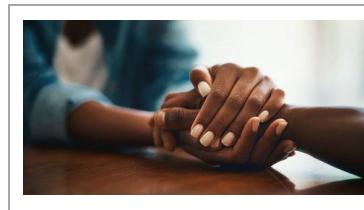

God is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us!

Spiritual hospital Healing & Deliverance Clinic is a place for the sick, the wounded, the broken, those facing death *and the spiritual disease of a dying soul*. It is a place to apply healing, restoration and treatment.

If you are whole, you don't need a doctor and therefore you don't have to come to Spiritual Hospital Healing & Deliverance Clinic. Nevertheless, every one of us will face issues as long as we are in this sinful world; we are all susceptible to spiritual diseases. God has redeemed us from the major bacterial (sin) but he is still working on us.

Jesus said, “They that are whole have no need of the physician, but they that are sick: I came not to call the righteous, but sinners to repentance” **(Mark 2:17 KJV)**. For those that are well can come together so that we can give out the medicine of our spiritual gifts to those that need treatment and healing. Please feel free to also partner with us!
